

Creativity at Work

CORPORATE ART PARTY

Empower your employees' creativity and boost your company culture with an art party hosted by Creative Genius Art Academy!

PALETTE PALS

Break barriers and bridge the gap between employers and employees, to create an open and comfortable environment.

GOAL VISUALIZATION

Encourage teamwork and build a sustaining and supportive company culture based on goals and values.

COLLECTIVE CANVAS

Recognize and celebrate everyone's diverse skills and unique contributions to the company's development.

Why Us?

- ▶ Artful leadership
- ▶ Team development
- ▶ Strategic planning
- ▶ Inspiring, engaging & motivating
- ▶ Creative & meaningful work
- ▶ Leading change
- ▶ Appreciative inquiry

“

Learning from Sylvia is a real treat. She teaches with an open mind that lets you explore your own creative side. As an artist herself, her own creations are as great as her passion for teaching. I can say it is a privilege to learn from her.

WORKSHOPS

EXPRESSIVE ARTS

This workshop focus on the process of expression and listening to your intuition to tell you what to paint next. Participants will begin to connect with their creative and wiser self on a deeper level.

DREAM PAINTING

This workshop focus on individual goals and ambitions. Participants are asked to depict what they wish to gain in life, and imagine themselves as they achieve it. The end result will be infused with emotion as they imagine what they will see, touch, smell, taste, and hear.

MANAGING PERFECTIONISM

This workshop emphasizes spaces that don't 'sanitize' environments to avoid mistakes. We encourage a culture where mistakes lead to healthy reflection and collective ownership.

MIXED MEDIA

Designed for those who wish to explore creative expression at the fullest, this workshop combines various forms of artistic media into a single work. Methods include painting, drawing, and collaging.

A fun alternative to traditional employee training that's proven to improve essential critical thinking and problem solving skills!
